The Honorable Thomas L. Hughes
Director of Intelligence and Research
Department of State
Washington 25, D.C.

Dear Tom:

Attached are five copies of a memorandum entitled "The Security of India's Himalayan Frontier", which is our response to your request of 4 June for a research paper on this subject.

We believe that this project has been a fruitful one. If the paper suggests to you any further avenues for exploitation, I would be glad to review our assets to determine whether we could make any useful additional contributions.

Faithfully yours,

(Signed) Marshall S. Carter
